Hi Commander,

Roger That. Chellew looked in to this location and advised the area depicted in the photos is County Property. They responded to this location last week and advised Robert that it was cleaned. The Divisional SLO is aware of this location and has been addressing it.

Matthew and Art please see the below string of E Mails. Can you have your teams go by this location: 803-805 N. Mariposa Ave. Los Angeles, Ca 90029 for Assessment and outreach.

Robert, can you reach out to the Rampart SLO and inquire if he needs anything from the UHRC.

Thank you all for this coordinated effort.

Hi Al,

Attached you will find the information we discussed yesterday. Besides the information we provided, they have threats to kill and burn the apartment residents and the complex. If you interview the residents they will provide all the facts.

Thank you again,

Hi Jorge. Could you help us at rampart to deal with some homeless population that are misbehaving.

My relative has an apartment complex at the address below. Homeless population near by is getting out of control. They deal drugs, fight, make noise and sometimes jump over the fence and get near the apartment. The tenants are frightened and complaining to my relative. Recently they caused a fire that LAFD had to respond to put it out. thank you in advance.

My relative's name is Mike. His number is 818-621-9999.

The address is below:
